

Olive Oil Mill Operator – Casual / Full or Part Time Time

Adina is a family owned boutique winery and olive producer in the beautiful Hunter Valley, New South Wales.

Surrounded by some of Australia's most iconic wineries, restaurants and attractions along with easy access to Sydney, Adina is the perfect place to wine, dine, play and stay.

Adina is one of the Hunter's largest olive growers producing brined table olives and tapenades.

In addition we operate a modern continuous olive oil processing plant, featuring a Pieralisi centrifugal extractor.

We are seeking an Olive Mill Operator to join our small team, based in the Lovedale area of the valley.

The position is available either as Casual (Seasonal approx. Feb - June) or a Full Time position ; which would include other duties on the 54 ha. property.

This is a hands on role and the successful applicant will be self-motivated and energetic, with an ability to operate and maintain various components of machinery and have a forklift license (or be prepared to obtain one).

Experience with food processing machinery / food handling would be an advantage, but training will be given on the use of specialist equipment. Previous agricultural machinery experience is desirable for a full time position.

Requirements – depending on employment status

Main Duties / Responsibilities :

- Olive Mill / Oil extraction machinery operation & general maintenance
- Receipt of raw harvested olives
- Documentation of receipts and processing
- Vineyard / Olive grove / Landscaping operations if Full/Part time.
- General property landscaping & maintenance
- Record keeping

Skills & Experience :

- Proven work experience with machinery and ideally processing equipment is highly desirable
- Vineyard / Olive grove experience advantageous
- Basic administration & computer skills

General & essential:

- Permanent resident or Visa status with permission to work in Australia
- Unrestricted Australian Driver License - Class C
- Own vehicle
